

GLOBAL TECHNOLOGY SUMMIT

Jason Choi

Director of International Tax
Netflix

Jason Choi is the Director of International Tax at Netflix. In this position, he oversees Netflix's international tax planning strategies and advises the business on the international tax aspects of the company and its expansion.

Prior to Netflix, Jason was Tax Counsel at Intel Corporation where he worked on various international tax planning, M&A, business advisory, and other tax matters.

Prior to Intel, Jason was a tax lawyer with an international law firm based in Los Angeles.

He graduated from Stanford University with a degree in Political Science and has a J.D. from Columbia Law School.
