Robert Schlossman

Chief Legal Officer
Zscaler

Robert Schlossman, Chief Legal Officer of Zscaler, Inc., is a seasoned chief legal and administrative officer who has been a key legal and business advisor to CEOs, management teams, and boards of directors of public, private equity, and venture capital backed companies.

Robert develops legal departments into organizations that both protect a company and enable the success of the business. In addition to legal departments, he has led HR and corporate development functions. Robert is particularly skilled at guiding companies through major transformations including IPOs, M&A transactions, the creation of new companies from large public companies, international expansion, implementation of new business strategies, introduction of new products and sales channels, and major corporate restructurings. He has substantial experience with streamlining legal operations, optimizing legal budgets, creating and managing compliance programs, IP strategy, contracts, complex sales programs and supply chains, government contracting, employment issues, litigation, international operations, and corporate securities and governance matters.

Robert also serves on the advisory boards of Velocity Global and Logikcull.
