

# GLOBAL TECHNOLOGY SUMMIT

## **Janey Hoe**

Vice President

*Cisco Investments and Corporate Development*

Janey Hoe is a Vice President of Cisco Investments. Previously, she held multiple product management, technical marketing, and business development leadership roles at Cisco, operating multibillion-dollar product lines as well as pioneering new products in switching, security, data center and video collaboration. Along with her team, she was recognized as a finalist for the Pioneer Award, the highest honor for innovation at Cisco.

Prior to Cisco, Janey was a management consultant at McKinsey & Company. Before McKinsey, she worked on network protocol research with MIT LCS Laboratory, AT&T Laboratories and HP Laboratories. Her work on TCP/IP performance improvements has been widely implemented and referenced.

Janey holds a B.S. and M.S. in electrical engineering and computer sciences from U.C. Berkeley and MIT respectively.
