

GLOBAL TECHNOLOGY SUMMIT

Alisa Bergman

Vice President and Chief Privacy Officer
Adobe

Alisa Bergman is currently Vice President and Chief Privacy Officer at Adobe where she leads the Privacy, Trust & Safety team. Bergman has been a senior executive, global Chief Privacy Officer and law firm partner for the last 20 years. She has deep experience in privacy, data, emerging technologies, advanced advertising strategies, data security and incident response, data governance and information risk management, as well as legislative, regulatory and public policy matters, and government investigations. Prior to joining Adobe, Ms. Bergman was Senior Vice President & Chief Privacy Office at Warner Bros. Entertainment Inc. Before coming in-house, she was a law firm partner in three leading privacy practices (DLA Piper, Venable and Dentons) in Washington, DC, and Brussels.
