

GLOBAL TECHNOLOGY SUMMIT

Adam Dolinko

Co-Founder and Board member
NextJuris, Inc.

Adam has been a senior executive and general counsel of two global public companies, has led a public company's corporate development team and has negotiated dozens of mergers, acquisitions and divestitures ranging from small to multibillion-dollar deals. He helped lead the \$2.5 billion sale of CSR plc to Qualcomm and has also been a board member and early investor in two private software companies, both of which were successfully sold to public companies. Adam is currently a co-founder and board member of NextJuris, a proprietary SAAS platform that delivers video-based, mobile-friendly elearning, CLE and client alerts to businesspeople and in-house attorneys from their trusted law firms.
