Kevin Iudicello
Managing Director
Pagemill Partners

 keviniodicello

Kevin Iudicello is a managing director at Pagemill Partners, a Division of Duff & Phelps. Kevin has closed over 60 M&A and financing transactions in his 25 years of experience as both an entrepreneur and investment banker. He specializes in infrastructure and application enterprise software, mobile, Internet and gaming transactions and has closed deals with such companies as Microsoft, IBM, Salesforce, Ubisoft, Autodesk and SAP.

Previously, Kevin spent six years doing software-focused M&A work at SVB Alliant / Alliant Partners while managing the firm's mobile practice. Prior to SVB Alliant, Kevin was a manager with Arthur Andersen's investment banking practice, where for three years he focused on executing M&A and placement transactions in technology and other sectors.

Prior to Arthur Andersen, Kevin co-founded a government leased real estate company, giving him unique insights into the challenges and rewards of founding a business. Working with two colleagues, he raised and structured over \$100 million in equity capital for the company, filed to take it public and soon thereafter sold the business for over \$400 million to a public REIT while pricing the public offering.

Kevin received his M.B.A. in finance from American University in Washington, DC and his undergraduate degree in finance from the University of Southern California.
