

GLOBAL TECHNOLOGY SUMMIT

Jon Sakoda

Founder and Managing Partner
Cisco Ventures

 @jonsakoda

 jonsakoda

Jon is the founder and managing partner of Cisco Ventures, a newly formed independent venture firm that invests in early-stage technology companies. He was previously a general partner with New Enterprise Associates, leading the firm's investments in Aera Technology, Brandless, DataVisor, Didi Chuxing, Elastic, HackerOne, OPOWER (NYSE: OPWR, acquired by Oracle), Snapchat (NYSE: SNAP), The Players' Tribune, ThirdLove and Uber. Before joining NEA, Jon was an entrepreneur and co-founder of IMlogic, Inc. (acquired by Symantec Corporation) and served as its Chief Technology Officer and Vice President of Products. Earlier in his career, he was with Goldman Sachs in its private equity group investing in software, internet, and communications.
