Neela Paykel

Head, Legal Affairs and Compliance
Proteus Digital Health

Neela Paykel is head of legal affairs and compliance at Proteus Digital Health. Before joining Proteus, Neela was assistant general counsel at Genentech, where she served as the lead attorney for the managed markets business unit. She advised on a broad range of managed care, healthcare law, privacy, antitrust and FDA promotional issues. Earlier in her career, Neela was at CVS Caremark, serving as the lead counsel for health plan business and was an associate counsel at Blue Shield.

Neela is a graduate of Illinois Wesleyan University, with a Bachelor of Arts in International Business Administration, and received her Juris Doctorate degree from George Washington University Law School.
