

# GLOBAL TECHNOLOGY SUMMIT

## Lauren Cummings

Executive Director, Global Capital Markets  
*Morgan Stanley*

 [lauren-cummings-96a5b29](#)

Lauren Cummings is a senior leader in Morgan Stanley's Technology Investment Banking group, leading the West Coast Equity Capital Markets effort. She has covered the equity product since 2001 her entire career at Morgan Stanley working in New York and London before moving to Silicon Valley in 2013. She has executed and advised hundreds of issuers on raising equity capital through IPOs, follow-ons and block trades, among other more nuanced equity products. She took a sabbatical from banking to write Warren Buffett's official biography, *The Snowball: Warren Buffett and the Business of Life*, a *New York Times* bestseller.

Lauren holds a BA in economics and Latin from Colgate University and played both Division I Soccer and Lacrosse there. She and her husband Derek live in San Mateo, California, raising five-year old daughter Alexandra and two-year old son Cole. An avid runner, Lauren is most proud of accomplishing a 2:51 marathon.
