

European Technology Summit

Jeroen Lokerse

Head of Netherlands
Cushman & Wakefield

 jeroen-lokerse-79126328

Jeroen started his career as real estate developer at Ballast Nedam and started at Troostwijk in 2001 to set up the Capital Markets service line. In 2007, Jeroen joined the Capital Markets team of Cushman & Wakefield in the Netherlands where he was appointed Head of Netherlands in 2012. He continued this role after the acquisition of DTZ Zadelhoff in the Netherlands in November 2016. Jeroen is member of the EMEA Strategic Leadership team.

Jeroen has over twenty years' experience in real estate having dealt with many (international) clients investing in retail, offices and logistic property throughout the Netherlands.
