

# European Technology Summit

## Allison Krill

Managing Director  
Bank of America Merrill Lynch

Managing Director, EMEA Global Banking and Markets Technology and Head of EMEA Global Transaction Services Technology

Allison is responsible for EMEA Global Banking and Markets Technology. Global Banking & Markets Technology provides end-to-end technology solutions and support for Global Banking and Global Markets (including Equities, Electronic Trading, Rates and Currencies, Credit and Structured Products, Commodities, Sales and Capital Markets and Global Markets Operations & Middle Office, Wholesale Banking, Research, Commercial, Corporate and Investment Banking clients).

Allison is also head of EMEA Global Transaction Services Technology (GTST). Allison joined GTST in August 2016 and has overall responsibility for the end-to-end delivery of technology solutions supporting the global corporate and transaction services business in the region. In addition, she is also responsible for the International Treasury Management and Commercial Banking platforms managed within EMEA region and utilized globally across EMEA, APAC, LATAM, and the US.

Allison is a member of the GT&O Diversity and Inclusion forum in her role as co-lead of the EMEA GT&O and GBAM Technology D&I Council.

Prior to this role, Allison was Head of Equity Technology in Asia Pacific supporting the Asia Equities business operating their technology platform and providing solutions to improve trading, facilitate sales, and manage risk positions. Allison joined the bank in 2011 and has been in the financial services industry for over 20 years. Prior to joining the company she was at Deutsche Bank in London where she worked in Equity Derivatives and Group Treasury IT. Allison was previously with Merrill Lynch for 9 years working both in New York and London offices and started her career as part of the Merrill Lynch Graduate Program. Allison is a graduate of Cornell University with a degree in Engineering.
