

European Technology Summit

Sriram Prakash

Global Lead, Disruptive M&A
Deloitte

Sriram is the Global Lead for Disruptive M&A and leads a multidisciplinary proposition to advise clients on venture investment and M&A opportunities to capture innovation-led growth opportunities. He has advised clients on a range of complex issues covering growth & innovation strategy, M&A, corporate venturing and change management. He is UK relationship leader for Uber and his clients include Softbank, Ricoh, Bank of America, UBS and BT.

He is also the Global Lead for M&A Insight and responsible for positioning Deloitte as a market leader for eminence and works closely with clients to drive insight-led deal opportunities. He has been featured in publications such as Financial Times, WSJ, The Economist, BBC, NY Times and Atlantic Magazine. He is also a frequent media commentator on BBC, Bloomberg TV and CNBC.
