

Middle East Technology Summit

Simon Sharp

Partner
Global Ventures

As a Partner at Global Ventures, Simon leads the GCC region across sourcing, investments and portfolio management. With over ten years of investment experience across venture capital and corporate finance, he uses both his analytical and hands-on experience to support founders on their growth journey. Simon has been involved in over \$1bn of transactions across HealthTech, EdTech, Fintech and AgriTech amongst others.

Before joining Global Ventures, Simon worked in the investment team at Committed Capital, a UK venture capital fund based in London, which focused on early stage technology investments. Simon is a Chartered Accountant with the ICAEW, a Member of the Chartered Institute for Securities and Investments and holds a BSc in Mathematics from the University of Warwick.
