

Middle East Technology Summit

Mohamed Damak

Managing Director
S&P Global

Mohamed Damak is a Managing Director and the Sector Lead for Financial Institutions in the Emerging EMEA region. Mohamed is also the Global Head of Islamic Finance at S&P Global Rating (SPGR). In this capacity Mohamed leads SPGR's cross-practice analytical thought leadership initiatives and credit rating activities in the Islamic Finance sector globally. In addition to these responsibilities, Mohamed co-heads the Emerging Market Global Industry Focused Team and is a member of several senior forums and research labs including the Digitalization of the Markets Research Lab. Mohamed's research interests include emerging markets financial institutions, the digitalization of the financial services industry (including cryptocurrencies, stablecoins, tokenization, and digital bonds) and Islamic finance. Mohamed is a regular speaker at industry events and conferences.
