

# Middle East Technology Summit

**Kevin Kilty**

CEO & Founder  
Hubpay

Kevin Kilty is CEO and Founder of Hubpay, Hubpay is a x-border payments platform based out of the UAE, with both a retail and corporate solution active in the market. Our corporate platform is growing rapidly, with a simple but powerful USP; i) we onboard businesses rapidly (<24hrs), ii) our FX platform offers the widest range of features from crypto payment links to mass payments, iii) our network, pricing and speed is best in class.
