

Middle East Technology Summit

Ari Kesisoglu

President
Property Finder

Ari Kesisoglu serves as President of Property Finder, MENA's leading property portal on a mission "to change living for good in the region." Ari is driving the leadership team to create a lighthouse technology company which will have a lasting impact on the entire tech ecosystem in our geography.

Since joining in 2020, Ari has leveraged his extensive technology background to position Property Finder at the intersection of real estate and innovation. Previously, he served as Facebook's Vice President for the Middle East and Africa region, and spent a decade at Google in senior EMEA roles spanning Sales, Operations, and Finance.
