## Jamie Ryder

Partner  
DLA Piper

[in https://www.linkedin.com/in/ryderjamie/](https://www.linkedin.com/in/ryderjamie/)

Jamie is a Dubai-based Partner with global law firm DLA Piper and heads DLA Piper's Media Sport and Entertainment Sector in the Middle East. Jamie is ranked as one of the leading TMT lawyers in the UAE by the independent legal directories (both Legal 500 and Chambers and Partners) and has built a solid reputation in the market based upon the breadth of his practice and the consistent quality of his work for a range of UAE-based and international clients.

Jamie regularly advises major broadcasters and media organisations in addition to international film studios and rights holders, major event hosting entities, and converged media and telecommunications companies on an on-going basis across a range of issues, including content acquisition and distribution agreements (both scripted content and sports rights), sponsorship agreements, digital content and video games platform roll-outs and marketing, media production and financing arrangements and a variety of regulatory and compliance issues.
