

Middle East Technology Summit

Raj Dewan

Partner
DLA Piper

Raj is a leading corporate lawyer with a thriving capital markets and cross-border practice. A professional with strong business acumen and extensive global experience, and exceptional relationship-building skills, Raj is committed to delivering business solutions and results for clients.

He acts on behalf of emerging growth companies and entrepreneurs in high growth sectors, including eSports, fintech, healthcare, mining, and technology, and is often brought in at the outset of transactions to assist in the initial structuring and strategy around transactions and capital deployment.
