Jeremy Lustman

Partner
DLA Piper

[in https://www.linkedin.com/in/jeremy-lustman-846a38/](https://www.linkedin.com/in/jeremy-lustman-846a38/)

Jeremy Lustman leads DLA Piper's Israel Country Group. Spending much of his time on the ground in Tel Aviv, Jeremy has developed a strong international network of Israeli companies, investors, entrepreneurs, bankers, accountants and local lawyers. He coordinates and leads DLA Piper's development efforts and initiatives in Israel cultivating international business emanating from Israel, serving as a liaison for Israeli clients seeking legal guidance in non-Israeli jurisdictions where DLA Piper has a presence, and providing guidance to non-Israeli clients evaluating business relationships and strategic partners. Jeremy's experience covers virtually all sectors of the Israeli economy, including leading venture capital and private equity funds, institutional real estate investors and multiple companies in the biotech, high tech (software, Internet and semiconductors), telecommunications, industrial, food/beverage, agro-tech, defense, homeland security and gaming sectors.
