

Tech Summit Middle East

Sam Cooke

Managing Director and Co-Founder
ESI

 <https://www.linkedin.com/in/sam-cooke-a6a79247/>

As the Co-Founder and Managing Director of Esports Insider, Sam has led the growth and development of the company and brand, and managed it day to day, since 2016.

He's also a co-founder at 'corporate' esports tournament series, the WFH League, and is an advisor at the venture fund Rewired.gg, and mobile esports service provider Gamerpro.
