Middle East Technology Summit

Amit Roy

Head of Atos's Cybersecurity Practice for Middle-East,Turkey and Africa

Atos

Amit Roy heads Atos's Cybersecurity Practice for Middle-East,Turkey and Africa (META) regions. In this capacity, he is responsible for driving the Cybersecurity business strategy, growth and revenue for the region and is committed to provide value delivery towards customer's unique cybersecurity challenges. Amit is engaged with several Cyber Security forums in the region, providing latest insights in Cyber Security and related topics.

Amit also leads the Atos growth strategy to drive Cybersecurity Services across the globe. In his 20 years of leadership roles in Senior Management, Sales, Growth and business operations, Amit has gained strong competencies in business strategy, sales & marketing, business alliances and building strong customer led teams that achieve business goals and meeting customer requirements.
