

Middle East Technology Summit

James Dancer

Business Advisory, Head of UK & Europe

DLA Piper

James leads DLA Piper's Business Advisory practice in the UK and EMEA, from a background in McKinsey & Company, the UK Foreign Office, and UBS Warburg. His career specialism is in advanced industries, technological disruption, and geostrategy. He has helped lead and build on the largest AI ventures in Europe and is pro-bono chair of the University of Oxford's alumni board and AI network.
